

Hello Prayer Heroes!

They say that when you don't hear from a missionary for a while that's when they need prayer the most! That's probably true of us at the moment. These are exciting times as well as very busy times. Let me just share some pointers for you to bring before God's throne:

AMICI CLUB - As a church we have just started a weekly kids outreach which we've called "Amici Club" (Friends Club). It is a continuing work from what was started with the American team in the summer. The work is led by one of the local believers, Claudio, and it has been encouraging to see more than 20 kids from Pietracatella coming along these first two weeks. See below the invitation for the club that another local believer, Assunta, did. Also, for those of you who did not see the video that the American team put together from the outreach in the summer, have a look at this: <http://www.youtube.com/watch?v=KLrSzmvy5DM>

EVANGELISTIC MEETINGS - Lately we have had a lot of visitors (contacts and friends of La Fonte) coming to our Sunday services. Therefore, Antonio and I (as leaders of the work) have decided that from next Sunday on we will do an evangelistic meeting every Sunday until the Lord says otherwise.

THANKS GIVING - On Thursday we will be celebrating Thanksgiving. As we did last year we want to make use of this occasion to invite all our friends and contacts into our home. We will be around 30 people on Thursday night! Pray for them - and for us!

INA AND PIERGIORGIO - As you know Heidi and I have been doing evangelistic Bible studies with Ina (from Moldavia) and Piergiorgio (Italian) for months now. She has professed faith but he hasn't yet. The problem is that they are planning to get married! Last Friday night they came to our home and we talked with them late into the night about the choices they have to make, with her about dating a non-believer and with him about getting saved! As you can imagine it is complicated, but God is really working in their hearts. Please pray with us that he will come to faith, and then that they get baptized. Then we'll talk about marriage!

CD PROJECT - Since I released the CD "FJAKKARI" (Traveler) in the Faroes a couple of year ago, my vision has always been to release it in Italian! This is where we live and this is where our hearts are! God has now answered our prayers! An evangelical Christian record company (Re-Vive Records) has decided to release the CD in Italy and in Switzerland. They will take care of translating the songs, recording the new Italian lyrics, printing and distributing it. We thank God for this opportunity to (hopefully) be a blessing and encouragement to the small Italian evangelical community.

EVANGELISTIC BIBLE STUDIES - As the church gets more and more contacts there has been a need to do a lot of one on one evangelistic Bible studies lately. In order to involve all the believers in this ministry I have developed a six part evangelistic Bible study series that we've called "Scoprire le Scritture" (Discovering the Scriptures). Every Monday I'm taking the church through these studies to prepare them for doing the studies with their friends. Pray that God in His grace would use these studies as a tool in His hand to reach hopelessly lost men and women for His glory. This is the reason we're here. To reach lost people with the Gospel for God's glory.

Thanks for standing so faithfully with us in prayer!

By His grace!
Regin
